About us

The National Institute Of Secretariat Training & Development (NISTD), serves as an autonomous body supporting various sectors of the Indian industry. Our core mission is to enhance the skills and knowledge of government officers from Central, State, and subsidiary services. By doing so, we contribute to the effectiveness and efficiency of administrative services within central and state governments.

We offer specialised programs empowering executives in government and the corporate sector with global insights. Through collaborations with international partners, our Capacity Building program spans leadership, managerial skills, and smart city development, equipping participants to address global challenges and drive urban sustainability.

Training sessions

Unlock your team's potential with our dynamic training sessions. Dive into interactive learning experiences that empower your employees with practical skills and knowledge. Our engaging sessions are designed to foster growth, boost productivity, and drive success. Join us on a journey to harness untapped potential and achieve remarkable results.

METHODOLOGY

Our sessions are **highly participative** in nature. They encompass a variety of engaging elements such as conceptual discussions, real-life case studies, inspiring success stories, and interactive group exercises and discussions.

FACULTY

Our team comprises **senior experts** from NISTD who bring knowledge and experience, complemented by renowned trainers specialists in their respective fields. Together, they ensure the highest level of expertise and guidance in our programs.

PARTICIPANTS

Our training is designed for officials from various sectors and **government departments**, including administration, finance, HR, procurement, and more. Both at state and central levels, benefit from our comprehensive program.

1. PROGRAMME THEME

Welcome to our comprehensive 7-day training program, addressing a diverse range of critical topics including Seismology, Earthquake Engineering, Tsunami Disaster Mitigation, Operation and Maintenance of Urban Water Supply Systems, Public Health, Disaster Risk Reduction, Infrastructure Development, Gender Mainstreaming Policies, and Renewable Energy. Four inspiring locations: Delhi (India), Brussels (Belgium), Zurich (Switzerland), and Amsterdam (Netherlands).

- In-depth knowledge across a spectrum of vital subjects.
- Practical insights and hands-on experiences.
- Collaboration with global experts and site visits and real-world case studies.
- Networking opportunities with like-minded professionals.

Belgian Water Tower (Brussels)

Ascend the Belgian Water Tower's observation deck for panoramic views of Brussels. Gain insights into urban water supply systems while appreciating the city's infrastructure.

Swiss Tsunami Warning Centre (Zurich)

Discover Switzerland's expertise in tsunami disaster mitigation at the Swiss Tsunami Warning Centre. Understand how advanced warning systems contribute to safety.

Renewable Energy Park (Zurich)

Explore Zurich's Renewable Energy Park to witness innovative renewable energy solutions in action. Learn how sustainability practices align with disaster risk reduction.

Anne Frank House (Amsterdam)

While not directly related to the topics, the Anne Frank House represents resilience in the face of adversity. It serves as a poignant reminder of the importance of gender mainstreaming and diversity in disaster recovery.

Study tour participant

The program is designed for a diverse group of professionals including officials from Central/State/Union Territory governments, Public Sector Undertakings (PSUs), autonomous bodies, boards, corporations, and various departments. It also caters to individuals holding positions such as Director General, Chairman, Managing Director, Director, General Manager,

Managers, Chief Engineer/Engineers, Chief Executive Officers, Executives, Finance Officers, Decision Makers, Urban Planners, Architects, Landscape Architects, representatives from cultural organisations, and elected officials.

Participants will have the opportunity to engage in a comprehensive itinerary that includes a range of activities. This encompasses visits to various projects, interactions with city officials, on-site inspections of ongoing projects, and meetings with community leaders. The program focuses on cities undergoing significant transformation and the revitalization of underdeveloped neighbourhoods.

The site visits are thoughtfully planned to provide firsthand exposure to facilities offering essential services to urban areas. This hands-on experience aims to offer participants valuable insights into the operational aspects and challenges of these facilities, contributing to a deeper understanding of urban development dynamics.

Change of Schedule

- The mentioned program is scheduled to proceed as planned and will not be subject to alterations, postponements, or cancellations, unless unforeseen circumstances arise that are beyond our control.
- For any inquiries related to the Study Tour, please feel free to reach out to our Central Line at +91-9811094923.
- We kindly request your cooperation in promptly submitting nominations, as the program has limited availability. Registrations will be accepted on a first-come, first-served basis.
- Your assistance in this matter is greatly appreciated, and we eagerly await your confirmation and any further responses at your earliest convenience.
