1. PROGRAMME THEME

Welcome to our 8-day training program, "Integrated Lake, River, and Coastal Basin Management for Sustainable Use and Preservation of Water Resources." This program is designed to empower government personnel with the knowledge and skills required to effectively manage and preserve water resources in a sustainable manner. By combining global insights and expertise, we aim to address the critical challenges associated with basin management. Our journey will take you through three vibrant cities: Delhi (India), Paris, and Zurich.

- In-depth knowledge in integrated basin management.
- Hands-on experiences and site visits.
- Collaboration with international experts.
- Comprehensive insights into smart city development.
- Networking opportunities with peers and industry leaders.

Seine River Promenade (Paris)

Cruise along the Seine River to witness how urban planning and river preservation coexist in harmony, providing a unique perspective on integrated basin management.

Musée de l'Orangerie (Paris)

Explore this renowned museum, located in the heart of Paris, to understand the city's commitment to environmental sustainability through art and culture.

Lake Zurich (Zurich)

Stroll along the shores of Lake Zurich, a prime example of sustainable water resource management in a vibrant city.

Swiss Federal Institute of Aquatic Science and Technology (Zurich)

Visit Eawag to gain insights into cutting-edge water research, which contributes to sustainable basin management.
