About us

The National Council for Training & Social Research (NCTSR), serves as an autonomous body supporting various sectors of the Indian industry. Our core mission is to enhance the skills and knowledge of government officers from Central, State, and subsidiary services. By doing so, we contribute to the effectiveness and efficiency of administrative services within central and state governments.

We offer specialised programs empowering executives in government and the corporate sector with global insights. Through collaborations with international partners, our Capacity Building program spans leadership, managerial skills, and smart city development, equipping participants to address global challenges and drive urban sustainability.

Training sessions

Unlock your team's potential with our dynamic training sessions. Dive into interactive learning experiences that empower your employees with practical skills and knowledge. Our engaging sessions are designed to foster growth, boost productivity, and drive success. Join us on a journey to harness untapped potential and achieve remarkable results.

1. PROGRAMME THEME

Welcome to our transformative 7-day training program, focused on "Middle East Models of Infrastructures Developed, Smart, and Sustainable Cities." This program is meticulously designed to provide government personnel with invaluable insights into innovative infrastructure development and the creation of smart and sustainable cities. Our journey will lead us through three dynamic cities: Delhi (India), Dubai, and Abu Dhabi (UAE).

- Exploration of cutting-edge infrastructure models.
- Insights into smart city development.
- Hands-on experiences in sustainable urban planning.
- Networking opportunities with industry experts.
- Exposure to Middle Eastern success stories.

Burj Khalifa (Dubai)

The world's tallest building, showcases Dubai's prowess in architectural innovation and urban development, demonstrating the potential for iconic structures in city planning.

Dubai Sustainable City (Dubais)

The Dubai Sustainable City project epitomises sustainable urban planning, emphasising renewable energy, waste reduction, and eco-friendly infrastructure.

Masdar City (Abu Dhabi)

Shining example of sustainable urban design, highlighting energy-efficient infrastructure and smart city technologies.

Sheikh Zayed Grand Mosque (Abu Dhabi)

Is a marvel of architectural grandeur and cultural preservation, offering insights into the importance of blending tradition with modernity in infrastructure.
